## The Secret Order 5: The Buried Kingdom Crack And Patch

Download ->>> <http://bit.ly/2NDakjB>

### About This Game

After the Griffin Order banned time travel, Sarah decided to take some time off. While enjoying her rest, she received a surprise invitation from her childhood friend and fellow explorer, Julie. A thrilling quest leading to a mythical buried kingdom is about to begin!

#### REVEAL THE SECRETS OF THE LEGENDARY BURIED KINGDOM!

After Sarah Pennington's last mission, the Griffin Order decided to destroy all time travelling devices and permanently ban time travel. This gives Sarah an opportunity to take some time off and reconnect with family and her old friend, Julie.

#### MEET DROI, YOUR PERSONAL DRAGON SIDEKICK!

A renowned explorer, Julie has discovered the location of the legendary Buried Kingdom! She wants Sarah to accompany on her quest to reach it.

#### DEFEAT THE SINISTER DRAGON CLAN!

What should be a happy reunion between friends quickly turns into a life-or-death mission when the Dragon Clan, which possess a strange power hidden in the darkest depths of the sea, kidnap Julie!

#### TEST YOURSELF IN 34 MINIGAMES AND 18 HIDDEN OBJECT SCENES!

Now it's up to Sarah and her cute little helper to search the kingdom for answers and find a way to save her dearest friend!

## Features

- Enter the Dragon's Lair!
- Explore 38 atmospheric hand-painted locations!
- Meet larger than life characters!
- Solve 34 challenging minigames!
- Befriend an adorable dragon!
- Collect every dragon egg!
- Save the Buried Kingdom in the bonus game!

## Game Information

The Secret Order: The Buried Kingdom Collector's Edition is an *Hidden Object Puzzle Adventure* game that was developed by Sunward Games and published by Artifex Mundi.

*The fifth chapter of the game's series. Previous installments as follows: "New Horizon;" "Masked Intent;" "Ancient Times" and "Beyond Time."*

*Since this is a collector's edition, it comes with extra features, that are not available in its' counterpart; the standard edition.*

## Game Visuals

*I want to mention that the visuals in the game are nicely done. The visuals can be adjusted in the game's option menu.*

## Game Audio

*I want to mention that audio for the game is well done. Even though the audio is somewhat simplistic and repetitive. The audio can be adjusted in the game's option menu as well.*

## Gameplay

*There are four different difficulty game modes to choose from: Easy; Advanced; Expert and Custom.*

*The notebook keeps tracks of progression in the game. Such as story events and clues.*

*There is an interactive map in the game. It allows the player to fast travel between each location quickly. It also indicates that there are tasks that can be completed at certain locations. The interactive map is automatically given at the start of the game.*

*There is a padlock feature that is available to lock the inventory panel in place to make it stationary.*

*There are interactive items in the game. Some of these interactive items may require extra components before they can be interacted with. All interactive items are marked with a symbol in one of the corners.*

*The hidden object scenes consist of the following: Shadow items; Fragmented items; Traditional word list and Find 'x' amount items. Some of these hidden object scenes may require little or no interactions. Most of the hidden object scenes can be replayed in the game's extra feature section.*

*The puzzles are fairly easy to solve without having the need to skip any of them. Most of the puzzles can be replayed in the game's extra feature section.*

*There is a dragon's eye amulet artifact in the game. It shows certain events that had happened in the past.*

*There is a dragon helper in the game. It helps the players to complete certain tasks that they cannot complete themselves.*

*There is a collectible in the game: Color Dragon Eggs. They are scattered throughout the game for the player to find.*

*There are morphing objects (beyond objects) in the game. They are scattered throughout the game for the player to find as well.*

*Since this is a collector's edition, there is a bonus chapter, but it can be accessed only after the main story is completed.*

*There are thirty-one different achievements to unlock from playing the game. Each of these achievements does come with some requirements that need to be completed before they can be unlocked.*

---

*Miscellaneous*

*There are extra features in the game: Bonus Chapter; Bonus Hidden Objects; Bonus Puzzles; Soundtracks; Wallpapers; Concept Art. Most of these extra features can be access only after the entire game is completed.*

*There are six different trading cards to collect. The game only drop three of those trading cards. There are several ways to get the rest of the trading cards: Purchased from the Steam's Community Market; Trade with friends; Booster Packs and its' Booster Pack Creator.*

*Final thoughts: I have found the game enjoyable to a certain extent. The replay value for the game is low. I would recommend this game, but not at the game's full price value.*
